Subject - Amendment of Slaughter House Bye-laws in Chickballapur Municipality

---

Sir,

In forwarding herewith the entire connected records received from the President Town Municipal Council on the above subject, I have the honour to state as follows -

The slaughter house bye-laws framed by the Town Municipal Council Chickballapur have been sanctioned by Government in their order No L 4337/Fl 86-39-57 dated 4/6-11-1939 and as contemplated in the several paras of the bye-laws the local veterinary Inspector has been authorised to inspect the slaughter house and the animals brought for slaughter and other works also relating to the slaughter of animals On a reference made by the President of the Municipality and the Veterinary Department requesting to permit the local Veterinary Inspector to attend to the inspection of animals brought for slaughter at slaughter house etc , the Veterinary Superintendent in his letter No 1 Cl 3794/42-43 dated 7-9-42 has replied that his veterinary Inspector will be permitted to attend to this work at specified hours and that he should be given an allowance of Rs 10/- per month

In the meanwhile the proposals made by the Municipal Council some time back to give ther an Assistant Sanitary Inspector, was sanctioned by Government and an Assistant Sanitary Inspector was posted to the Municipality The Municipal Council at their meeting held on 30-1-42 and 30-9-1942 resolved the slaughter house bye-laws may be suitably amended by inserting thename of the Assistant Sanitary Inspector also in it so that he may be entrusted with the work relating to the inspection of animals without extra-cost

A notification was published by the President of the Municipality calling for objection to the proposed amendment and it is

is reported that no objection was received for the proposal The Municipal Council at their next meeting held on 31-10-42 have resolved that sanction of Government may be obtained to amend the bye-laws accordingly The Director of Public Health who was consulted regarding the admissibility of entrusting the inspection of animals brought for slaughter etc , to the Assistant Sanitary Inspector has opined in his letter No H D S 154 dated 31st August/1st September 1942 that in the absence of a veterinary Inspector the Sanitary or the Assistant Sanitary Inspector of the Municipality is a suitable person for the inspections

In Chickballapur there is a veterinary Inspector and accordingto the Director of Health, he is the person best fitted to the insrection of animals brought for slaughter house etc But he should be paid an allowance of Rs 10/- per month and even then he will work only at specified hours on theother hand, if the work is entrusted to the Sanitary or Assistant Sanitary Inspector of the Municipality the Municipality will be saving an annual expenditure of Rs 120/- and the services of the Sanitary Inspector may be indented upon whenever needed There have been no objections received against the amended bye-laws and there is also no objection for the work being entrusted to the Sanitary or Assistant Sanitary Inspector in the absence of the Veterinary Inspector according to the Director of Public Health I therefore request that sanction of Government may kindly be obtained to amend the existing slaughter House Bye-laws of Chickballapur Municipality, as proposed by the Municipal Council

I have the honour to be,
Sir,
Your most obedient servant,

G Venkata Krishna Rao

for Deputy Commissioner,
Kolar District
